

CONSTRUCTION SOLUTIONS LTD

1.0 QUALITY POLICY STATEMENT

At Construction Solutions Limited we have a strict policy towards providing quality work in line with the requirements of the specification the basis of the maxim: "build right build once". It is our objective to assure ourselves and therefore ultimately our clients that the building is a product of quality. This achieved through instigating, administering and policing a project quality plan on each of our sites in accordance with our company quality management system, utilising appropriate procedures, check list and record documents, and above all maintaining clear lines of communication throughout the organisation and with our suppliers and subcontractors whilst retaining a degree of administrative flexibility to meet the particular requirements of our various clients. It is the responsibility of all Construction Solutions Ltd personnel to ensure that procedures are implemented and our quality objectives are achieved.
